
War Supply Crate Addon

[Download](#)

Supply drop notifications are sent when a player with an addon installed hovers over a supply crate or chest and these notifications are sent. If you wish, you can disable the Supply Drop

Notifications addon so that you can turn off Supply Drop alerts when you don't want to see those alerts. Just find your Supply Box or a chest near it and select Show Supply Drop Notifications.

Choose one of the options. In some cases, you can change the timing of the supply surrender messages. How to install an addon or mod Open the game, run the installer or downloaded mod archive.
